**INDEPENDENT AUDITORS' REPORT  
TO THE SHAREHOLDERS OF  
SIMPLEX (MIDDLE EAST) LTD**

**Report on the financial statements**

We have audited the accompanying financial statements of SIMPLEX (MIDDLE EAST) LTD, which comprise the statement of financial position as at 31 March 2022, and the statement of comprehensive income, statement of changes in equity and cash flow statement for the year ended, and a summary of significant accounting policies and other explanatory notes set out on pages 2 to 10.

**Management's responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**Auditor's responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entities internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation for the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements give a true and fair view of the financial position of SIMPLEX (MIDDLE EAST) LTD as of 31 March 2022, and of its financial performance and its cash flows for the year ended in accordance with International Financial Reporting Standards.

**Emphasis of matter**

Without qualifying our opinion, we draw attention to Note 1 (e) to the financial statements which states that these financial statements relate to the activities carried out by the parent company only. Reference should be made to the financial statements of the subsidiaries to ascertain the state of affairs of the company as a whole.

**Report on the other legal and regulatory requirements**

We further confirm that the financial statements have been properly prepared in accordance with Ras Al Khaimah Free Trade Zone International Companies Regulations, 2006.

## SIMPLEX (MIDDLE EAST) LTD

### NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 MARCH 2022

Current financial assets that have fixed or determinable payments and for which there is no active market are classified as loans and receivables and are stated at cost or, if the impact is material, at amortized cost using the effective interest method, less any write down for impairment losses plus reversals of impairment losses. Impairment losses and reversals thereof are recognized in the statement of comprehensive income.

Current and non-current financial liabilities which comprise of trade and other payables are measured at cost or, if the impact is material, at amortised cost using the effective interest method.

f) **Significant judgments and key assumptions**

The significant judgments made in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are as follows:

***Impairment***

At each statement of financial position date, management conducts an assessment of financial assets to determine whether there are any indications that they may be impaired. In the absence of such indications, no further action is taken. If such indications do exist, an analysis of each asset is undertaken to determine its net recoverable amount and, if this is below its carrying amount, a provision is made. In the case of other receivables, if an amount is deemed irrecoverable, it is written off to the statement of comprehensive income or, if previously provision was made, it is written off against the provision. Reversals of provisions against loans and receivables are made to the extent of the related amounts being recovered.

Key assumptions made concerning the future and other key sources of estimation uncertainty at the statement of financial position date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are as follows:

***Doubtful debt provisions***

Management regularly undertakes a review of the amounts of trade and other receivables, if any, owed to the company either from third parties or from related parties and assesses the likelihood of non-recovery. Such assessment is based upon the age of the debts, historic recovery rates and assessed creditworthiness of the debtor. Based on the assessment assumptions are made as to the level of provisioning required.

***Impairment***

Assessments of net recoverable amounts of all financial assets, if any, other than receivables are based on assumptions regarding future cash flows expected to be received from the related assets.

g) **Adoption of revised and new International Financial Reporting Standards**

In the opinion of the management, there are no International Financial Reporting Standards, amendments thereto or interpretations that have been issued by the IASB prior to 31 March 2022 but have their effective dates of adoption for future accounting periods, that are likely to have any significant impact on the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS**  
**YEAR ENDED 31 MARCH 2022**

**10 FINANCIAL INSTRUMENTS**

The management conducts and operates the business in a prudent manner, taking into account the significant risks to which the business is or could be exposed.

The primary risks to which the business is exposed, comprise credit, currency, liquidity and cash flow interest rate risks.

Credit risk is managed by assessing the creditworthiness of potential customers and the potential for exposure to the market in which they operate, combined with regular monitoring and follow-up.

The company transacts in foreign currencies. Exposure is minimized where possible by settling such transactions with the same currency.

Management continuously monitors its cash flows to determine its cash requirements and makes comparison with its funded and un-funded facilities in order to manage exposure to liquidity risk.

Exposures to the abovementioned risks are detailed below:

**Credit risk**

Financial assets that potentially expose the company to concentrations of credit risk comprise principally bank accounts.

The company's bank accounts are placed with high credit quality financial institutions.

**Exchange rate risk**

There are no significant exchange rate risks as substantially all financial assets and financial liabilities are denominated in UAE Dirham or at USD, to which the United Arab Emirates Dirham is pegged.

Reasonably possible changes to exchange rates at the statement of financial position date are unlikely to have had a significant impact on profit or equity.

**Fair values**

The fair value of financial instrument is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. The fair value of the financial assets and financial liabilities which are required to be carried at cost or at amortised cost approximates to their carrying values.

**11 CONTINGENT LIABILITIES**

Except for ongoing business obligations which are under normal course of business against which no loss is detected, there has been no other known contingent liability or capital commitment on the company's account as at the statement of financial position date.

**SIMPLEX (MIDDLE EAST) LTD**

**NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 31 MARCH 2022**

**12 COMPARATIVE FIGURES**

Previous year's amounts have been regrouped / reclassified as it is considered that the revised grouping / classification, which has been adopted in the current accounting year, more fairly presents the state of affairs / results of operations.

The amounts in Director's report and financial statements have been rounded off to the nearest UAE Dirham.

**13 REPORTING CURRENCY**

The financial statements are prepared in United Arab Emirates Dirham, which is considered to be the principal currency of the economic environment in which company operates.
